THE CHIEF

Class of 2000

## To the Members of the Class of 2000

You have arrived! Congratulations for being the first class of the millenium to graduate from Joseph Case High School. Each of you have also moved from one century to another in a short time. You have benefited from the struggles and sacrifices of your parents, grandparents and ancestors. All of the striving and struggling to achieve a better world and independence in our world has, as George Bernard Shaw so aptly observed in *Pygmalion*, "made us all the more aware of the fact that we are all dependent upon one another".

What happens in Croatia and Serbia concerns us. What takes place off the coast of Florida when a small boy survives a dangerous journey from Cuba impacts us. And, pollution in our part of the world is of more than casual importance to our well being. This list can go on, but the point, I believe, is understandable.

Each of you can "carry the torch to the future" as so eloquently put forth by President John F. Kennedy when he asked another generation to "ask not what our country can do for us, but rather what we can do for our country."

As you leave Case High School, I encourage you to consider the sacrifices others have made for you, think of the many people of today all over the world that we impact by our actions and try to open the door of opportunity for all people as you move forward to new levels of success!

Again, congratulations, good health, good future and best wishes for a happy, productive life in the new millenium.

Sincerely,  
Kenneth J. Grew, Ph.D.  
Superintendent of Schools

## To The Class of 2000:

The time is finally here - graduation. Four years ago I told you on your first day of school that these years would go by quickly and they have. When I spoke to you at an assembly in December, I told you that the rest of the year would be extremely busy and that when you survive that final period, we will be at our last assembly getting ready for graduation. Well, here we are and where has the time gone?

I hope these years have been meaningful ones for you. High school years are not really missed until you don't have them anymore. Friends may separate and go different ways, but your memories will grow and take on a richer meaning. The faculty has prepared you well for your next step into the new millennium. The saying that you can't go home again is not true about Case High School. Although it will never be the same, I invite you back to the many activities that we sponser and hope that you do come back and share your experiences with us.

As you go forth into the new millenium, I look forward to watching you become successful members of the global society. Your generation may be looked upon as the greatest generation of the 21st century.

Sincerely Yours,  
Joseph D. Santos,  
Principal

## To the Class of 2000

As you travel through the 21st Century I hope you look back to value the education you received at Joseph Case High School. All our staff has worked very hard creating the best educational experience opportunity to prepare you for your chosen path. In you future have the courage to meet this century by being open, expressing your feelings, your ideas and constantly renewing your individual essence that profoundly affects society. Four years we have worked to empower you with the freedom to rise above and become part of creating "real change". This will create an effective, useful and peaceful world for all to enjoy. Good luck to each of you and never stop challenging yourself to make a difference!

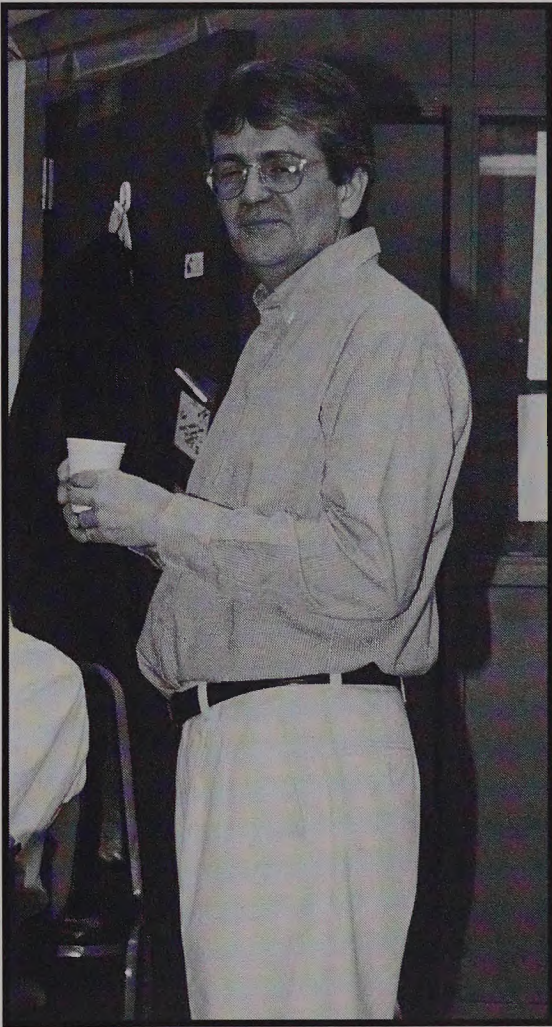

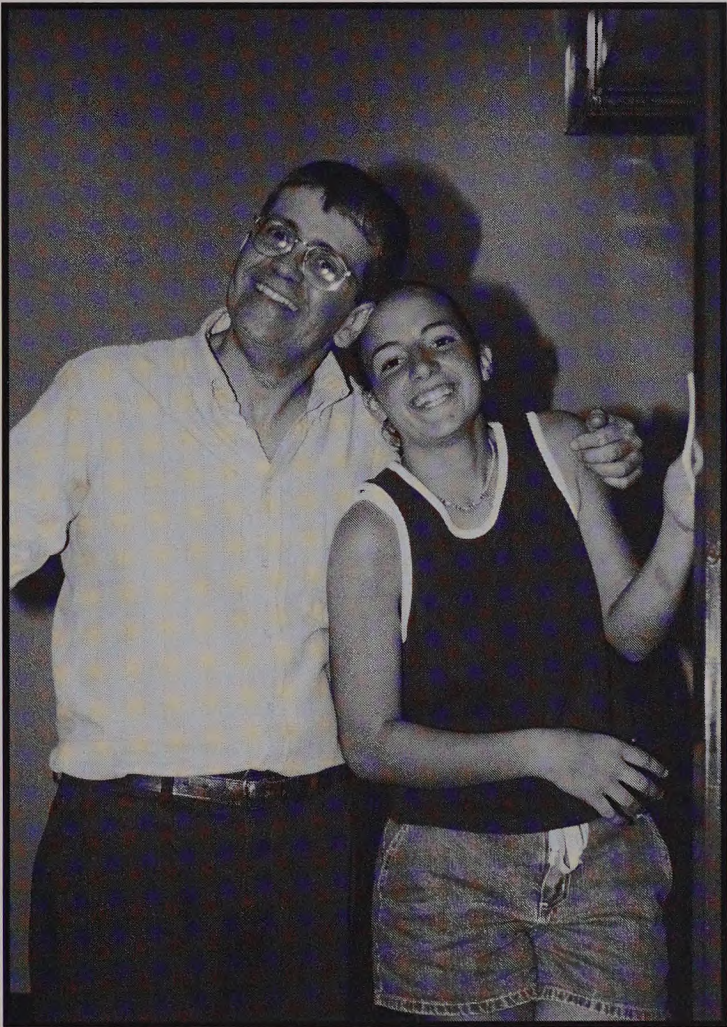

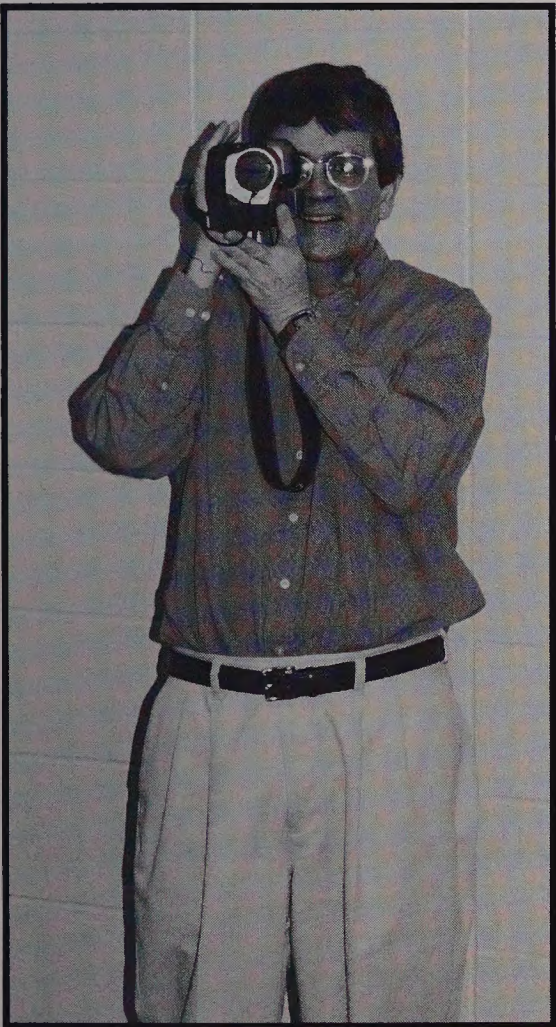

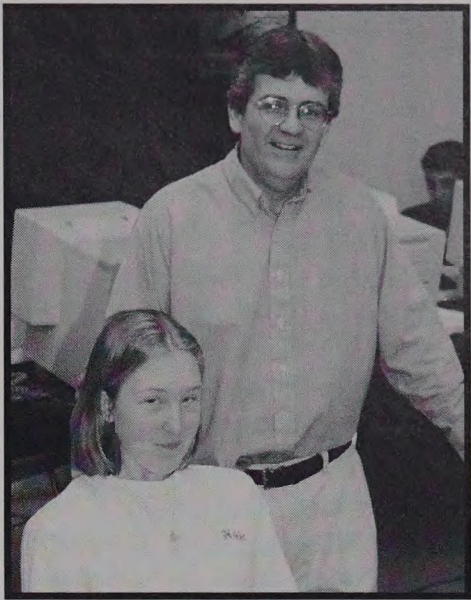

Sincerely,  
Christine Stanton  
Assistant Principal

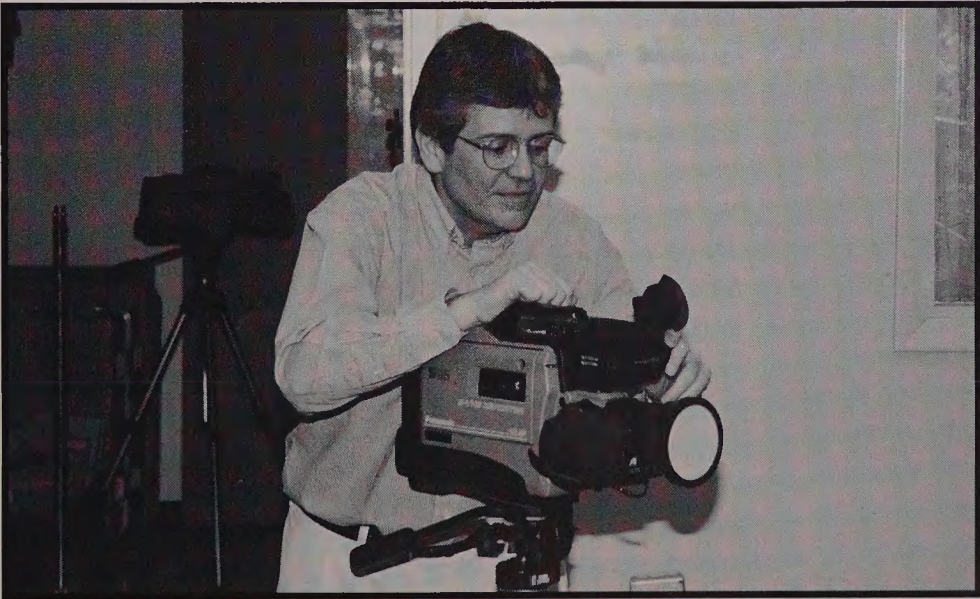

For the past four years John Medeiros has been involved in our lives here at Case High as a great teacher and role model as well as a trusted and reliable friend. He has unselfishly given his time and support to the students at Case. Helping students and becoming their friend is a very difficult task for teachers. John Medeiros has achieved this task.

Mr. Medeiros displayed his ultimate dedication to the Class of 2000 when he undertook the Video Production class and then dedicated so much of his own personal time to see its betterment. Mr. Medeiros' concern for his students and his fellow teachers at Joseph Case High School is commendable and admirable. To express our gratitude, we, the Class of 2000, do hereby dedicate the first edition of *The Chief* for the new millenium to Mr. Mederios.

The Medeiros'

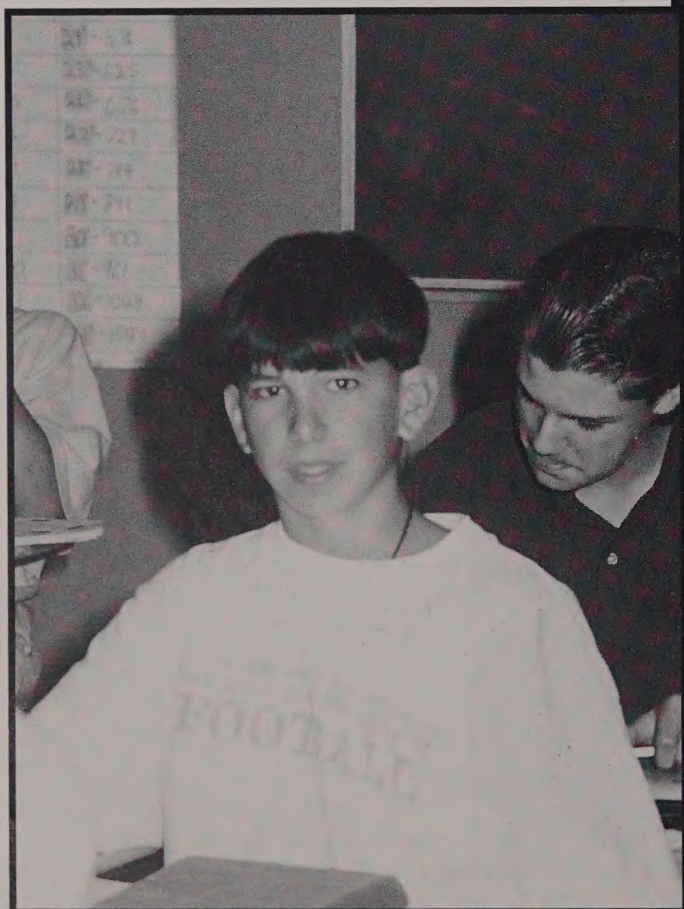

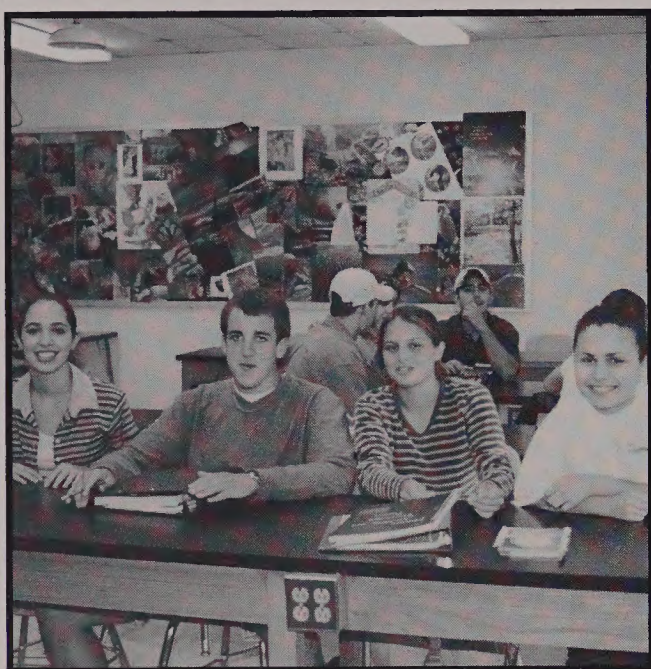

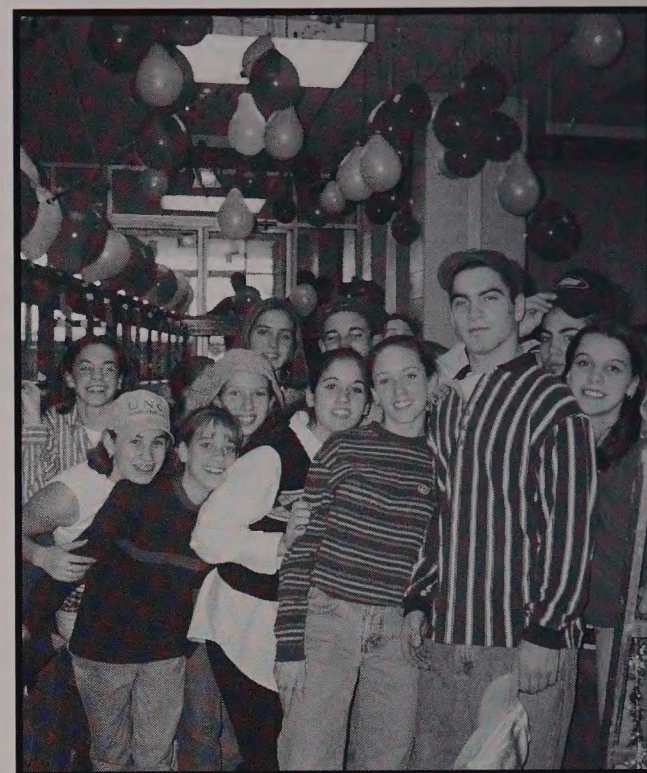

Born August 26, 1996, the Class of 2000 walked into the hallowed halls of Joseph Case High School with an eagerness to learn, but maybe more importantly with an anticipation of change.

# The Class

## Freshman Year

We all move into our new lockers, remembering only what color it is and the combination, and breathe a sigh of relief when we realize they are too small to be stuffed in. We make new friends, keep a lot of our old ones, see some incredibly good-looking upperclassmen, and we all learn a whole new meaning to the word gossip. In world news TWA Flight 800 crashes and there is a bombing at the 1996 Olympics at Atlanta. Luckily enough we make it to Case just in time for Activity Fees. We elect our class officers, **Mary Paquette** as President, Vice President **Stacy Booker**, Secretary **Katelyn Stone** and Treasurer **Doug Rosenberg**. The Drama Company makes it to the States with their production of "Kentucky Cycle", and we have a great time in Boston. The softball team wins States again and so does the volleyball team. Mr. Vogler's New York trip is the best and we'll never forget our first Semi-Formal. With the help of Mrs. Lucca we learn how to use the library and through the help of A Tale of Two Cities, we learn how to use Cliff Notes. As freshman at "Joe Case" we are introduced to so many experiences, little quirks that make us fall in love with it. . . "Chicken Nugget Day", rooms without windows, locked bathrooms, and tape on the rugs. Memories we will never forget, and this is just the beginning. . .

## Sophomore Year

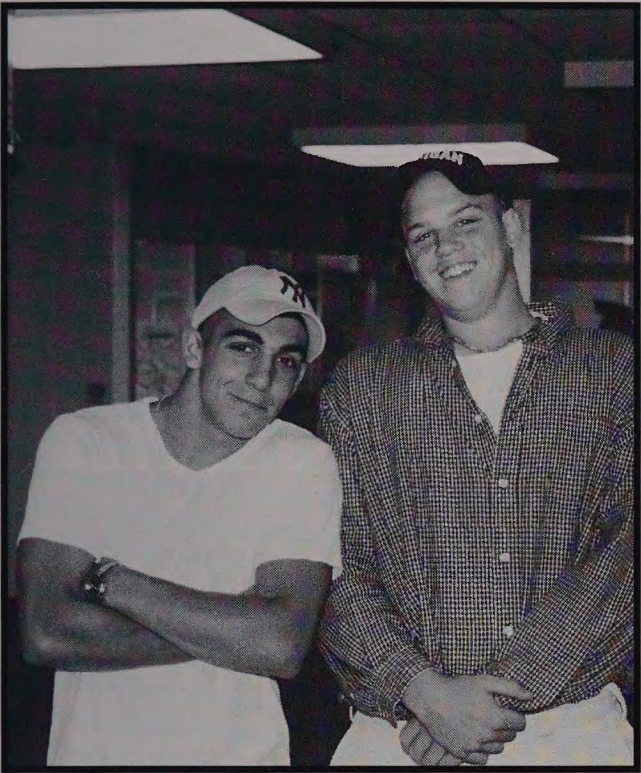

Well its Sophomore year and the lockers are still multicolored and we are starting to get use to all the duct tape. Our class schedule is changed to a rotating seven period day with a 90-minute block, affectionately known as the "Bubble". When we have study we love it, but it's when we have Biology we'd rather see it go. The library has a new wall, but you have to wonder: "Is it **Paul Cabral** proof?" The world mourns the loss of two living legends, Princess Diana and Mother Theresa. It seems like everyone is asking "Do I make you horny baby?" after we see Austin Powers. The girls' Cross-Country team are SCC champs and, again, Drama makes it to the States with their production of "Strider". This year some of us get to see the world when Drama crosses the ocean to England and the Mediterranean Club invades Montreal. We celebrate when school is let out early because of a "smell" coming from the outside but we mourn in the spring when we are the guinea pigs for the MCAS Test. This year we elect a new treasurer in **Andrea Burns** and we are introduced to Channel One in Social Studies class. Mrs. Riley teaches us how to use a Word Processor but more importantly to play solitaire, and most of us use the internet for the first time. We had a lot of laughs this year but we are happy to see underclassmen status disappear and we are looking forward to the beginning of . . .

# History-2000

## Junior Year

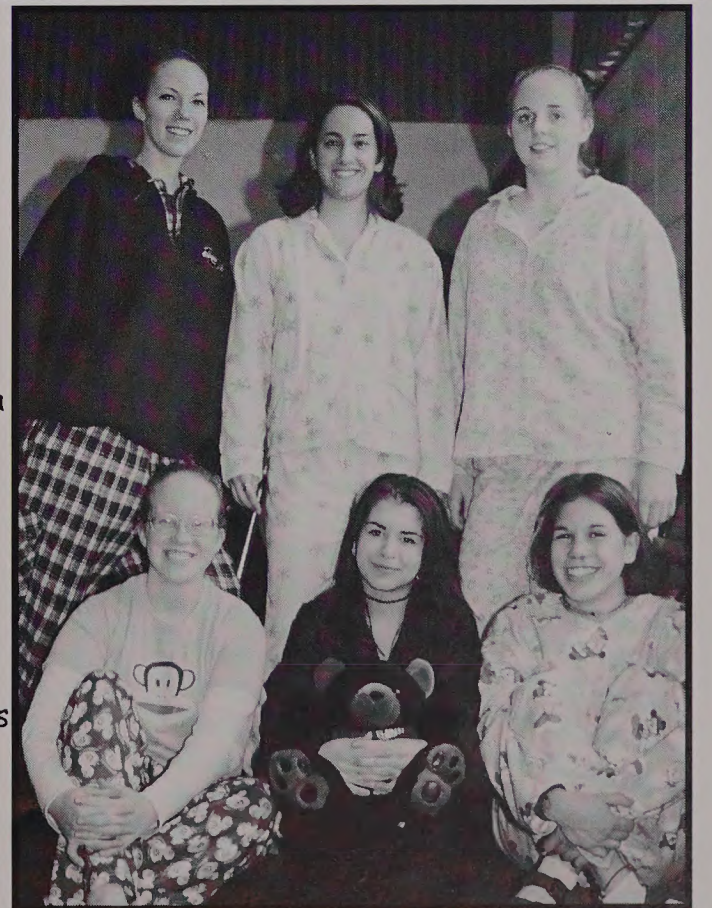

The fall brings us a taste of the good life with a visit from the Navy Band (we can't believe they play something besides "Stars and Stripes") and we have a great end to Spirit Week when we bring the 49er's Trophy back where it belongs with a 17-16 win. We also get to witness Mr. Gibeau's scandalous affair with a certain pig. We have a great time at our first Junior-Senior Semi, but lose some of the memories when the pictures are ruined. Most of us have our licenses but a new law prevents us from driving friends around for the first six months (or so our parents think). We take our PSAT's in the fall and the SAT's in the spring. **Karen Ferry** is elected Secretary and Drama makes it to the States with its production of "The Heiress". We don't go a day without hearing what Monica did to our President and the Maguire-Sosa race ends with Mark Maguire on top. We are shocked when we watch the tragedy at Columbine High School, but proud of our behavior as a school when we walk away without any problems. We host the Junior-Senior Prom at Whites and have our first experience with a Breathalyzer. We have the time of our lives when we turn the gym into a 1999 New Years Eve Party as we decorate for the After Prom. Before we know it our junior year is over and it's time for the beginning of the end of our high school days when it is soon our. . .

## Senior Year

Here it is, what we have all been waiting for. The beginning of the year is plagued with too many academic thoughts. We are stressed with college applications, SAT's, and GPA's, not to mention six academic classes. All this hassle for a tassel! At the Homecoming Dance **Jessica Motta** and **Justin Tourangeau** are crowned Queen and King, respectively, and everyone has a great time at the Semi. We certainly have proved that the Class of 2000 knows how to dance and party! On a sad note the Cross-Country and Winter Track seasons are cancelled because of lack of interest. January 1, 2000 arrives and the Y2K scare proves to be a fluke. Mr. Santos imposes a new "No Running in the Hallways" policy that results in the end to "Chicken Nugget Stampedes". But no policy can offset the "Senioritis Virus" which soon invades our corridors. With academics an afterthought we are now ready to enjoy our Prom, the Bay Queen, Class Night, and finally Graduation.

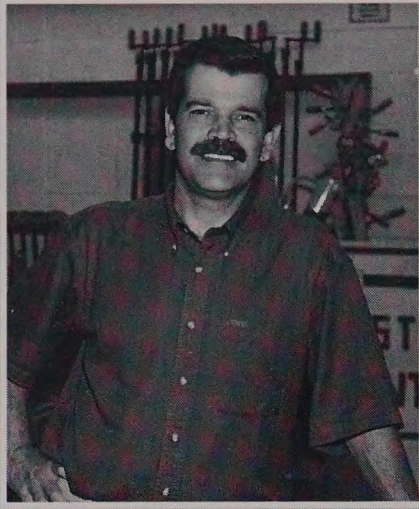

The Class of 2000 dies on June 4, 2000, when the first class of the new millenium graduates. A great four years has passed and for each person they have been full of personal memories that will never be forgotten, but more important are the memories we have made together as a class. Our history together has lasted for 12 years, and for some even longer. We have walked the halls of Case these past four years and changed each other and prepared each other for the changes still to come. And so maybe the Class of 2000 doesn't end on June 4, 2000 afterall, because the memories we have made will live on forever, because a class like this only comes around once every 2000 years.

The girls' soccer team had a promising record of 7-8-2 up to the Somerset game. Finishing with a tie we fell one point short of qualifying for the States. With seven seniors graduating Coach Reis has a positive outlook, hoping there will be a lot of newcomers joining the team next year. Abby Higginbottom was the team MVP, Courtney Medeiros was awarded the Sportsmanship Award, and the Coaches Award was given to sophomore Julie Janson.

# Boys Soccer

An impressive opening game against future league champion Dighton-Rehoboth showed that the Cardinals were ready for a promising season. The team was led by senior captains Jim Fonseca and Derek Dubois, as well as junior captain Dan Zolnierz. Jim Fonseca was a vital part of Case's strong defense, while Derek Dubois contributed greatly to the team's offensive attack. Dan Zolnierz also led his teammates while controlling the play at midfield. The Case defense was reinforced through the solid performances of seniors Kevin Chappell and Colin Starrett. Senior Branden Mello also gave an outstanding effort throughout the entire season. With hard-earned wins against strong teams from Bourne and Apponequet, the Cardinals played with a lot of desire and intensity all through their season.

The girl's volleyball team had a very exciting year. The highlight of the season was when we qualified for the State Tournament. We started out the season rather slowly, but a great win over Apponequet was a turning point for our season. We finished the season with a 10-10 record. In the first round of the tournament we played a great match, but lost a tough five set decision to Bishop Stang.

The team was led by senior co-captains Nicole Tremblay and Cindy Brizido. Cindy won the MVP Award and was named to the SCC All Star Team. Juniors Kate Saylor and Lindsey Pavao won the Sportsmanship and Coaches Awards, respectively.

# Golf

The goal of this year's golf team were to do well in the South Coast Conference and to qualify for the State tournament. With a record of 9-8-1 both achievements were met. Senior captain Jon Cornell played in the number one spot, while senior Rob Lever played number two all year long. Other starters were seniors Jeff Belyea and James Nadeau. Also, freshman Ben Machado and sophomores Will Pavao, Nick Marcoux, and Jeremy Velozo saw a lot of action.

The golf team would like to thank Touisset Country Club for allowing us to use their course. We would also like to thank Coach Antunes for another great year.

The Football Team had a very successful season, finishing with an overall record of 7-3. This record earned us second place in the South Coast Conference and was also the best record achieved by the varsity team during our four years at Case. We remained united and played strong all season, knocking two teams out of Superbowl contention while simply destroying others. Although we lost to Somerset, our record shows that "the best team doesn't always win."

## Football Cheering

The 1999 Cheering Season was very different than any other cheering season ever to be here at Case. We all came together to form a squad with an incredible amount of potential. Potential we never thought we had until we tried. We were the first team to ever host cheerleading competitions here at Case. Even though we did not place, we know that we don't need a trophy to show us how good we did. Thank you to Nancy our coach, for never letting us give up and for making us better than we thought we could ever be. Good luck to next year's squad! We leave to you all our good wishes for a successful season for the years to come. Thanks for all the great memories.

Captains  
Jessica Motta and Mary Paquette

Our Gymnastics Team had a successful season led by senior captains Jessica Motta and Mary Paquette. At the beginning of the season Coach Laura Murphy set a goal of scoring an overall team score of 120 points. However the team missed it by 0.1, scoring a 119.9. They finished the season with a 5 - 5 record this year, including a 2 - 3 league record which was good enough for a fourth place league finish.

Junior Meagan Estrella was named the MVP, while Nicole Santos earned the Coaches Award. The Sportsmanship Award was presented to Mary Paquette at the Winter Sports Banquet.

# Ice Hockey

Although our hockey's team record didn't show it, we played hard all year and were much more competitive in the final weeks of the season. "In the end, everything that could go wrong seemed to go that way for our team this year," said Coach Brouillard, adding that he was happy with the effort and optimistic about the future.

This year's team was led by captains Leon Menard, Chad Landry, and Wayne Homol and seniors Jim Fonseca, Ken Bettencourt, James Nadeau, and Derek Davis.

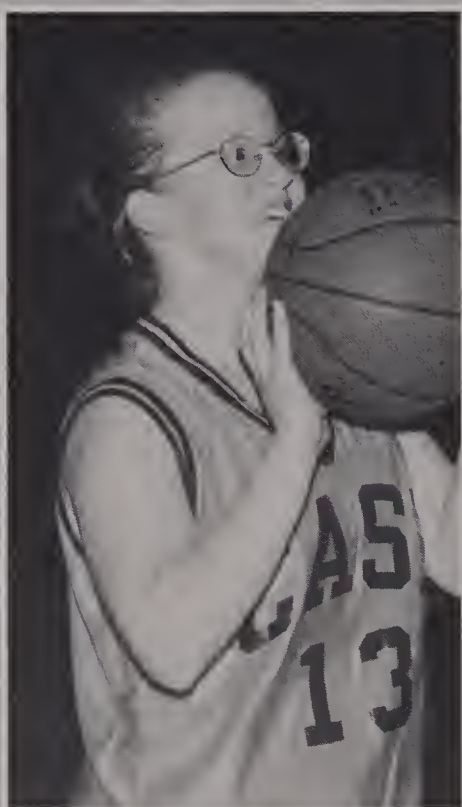

First row (l to r): Jennifer Murgo, Jill Fernandes, Captain Courtney Medeiros, Captain Lauren Johnson, Captain Cindy Brizido, Erin Rowe; second row: Coach Glen Medeiros, Jenna Fazzina, Laura Murgo, Malory Decof, Liz Reynolds.

# Girls' Basketball

Our basketball team's season started with a very positive attitude. We had a new coach this year, Coach Medeiros, who was very familiar with all the girls. Even though the team missed the tournament by only one game, our season was successful because we learned the meaning of unity. It wasn't all about just winning but mostly about having fun and doing our best. We were always taught to not worry about winning as long as we gave 100%.

This year's team was led by seniors Courtney Medeiros, Lauren Johnson, Cindy Brizido, Jenn Murgo, and Jill Fernandes. With the returning of five underclassmen and some talented junior varsity players, next season looks very promising.

# Boys' Basketball

Our basketball team had a new coach this year, Kimball Crossley, who tried to instill a new attitude in our players. We won only three games, but we worked hard all year and there was a lot of promising play by the underclassmen. The highlight of the season was a big win over Apponequet at our home court. The seniors this year were Zach Lake, Chris Higgins, and Rich Ryan.

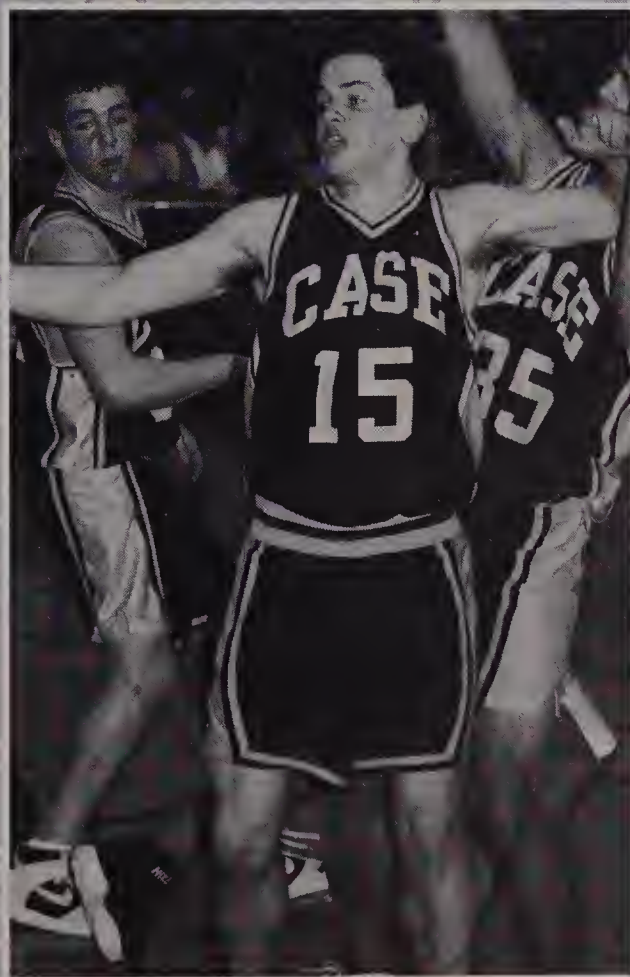

First Row (L to R): Matt Mancini, Rich Ryan, Chris Godet, Tim Abreau, Tim Furtado, Justin Rapoza, Jeff St. Yves. 2nd Row: Asst. Coach Jay Hanley, Chima Bull, Derek Woolham, Brian Stanko, Brian Cruz, Zack Lake, Kevin Gendreau, Chris Higgins, Coach Kimball Crossley.

Rich Ryan , Zack Lake, Chris Higgins

# Basketball Cheering

Through all of the rough spots and the laughter, we stuck together. Through a very stressful season everyone managed to stay cooperative and pull through. This season has been a lesson for everyone involved and it taught us how to solve unexpected problems quickly and efficiently. There were many unforeseen obstacles in our way, but together we made it through. At the Winter Awards Banquet the Coach's Award went to Sarah Ormerod and Karen Ferry, The MIAA Sportsmanship Award was presented to Marissa Hussey and Laura Carreiro, and the MVP Award went to Bethany Pacheco.

First Row (L to R): Nicole Bernier, Meghann Cantin, Marissa Hussey, Sarah Ormerod, Krystle Boutin, Tiffany Aguiar. Second Row: Laura Carreiro, Shannon Dufault, Courtney Freitas, Joanne Perrault, Bethany Pacheco. Third Row: Rachael Ryan, Angela Chianese, Karen Ferry, Meaghan Sullivan, Stephanie Soares, Coach Meredith Mello.

# YEARBOOK STAFF

As editors of the yearbook we would first like to thank everyone who participated in creating the first yearbook of the new millenium. We would also like to thank Mr. Noble for all his time and dedication in helping us make this yearbook the best ever.

The class of 2000 opened a new yearbook office this year and we spent many hours there working on our book. Even through all the stressful times with deadline weeks, missing pictures and lost profiles, we still managed to make the best of it. When it came down to the final days we gathered all of our scattered pictures and pages, and pieced them together.

On behalf of the yearbook staff, we hope that you will all be able to enjoy the contents of this book we have all created together in the past four years.
